**COMMON SHARE BUY BACK PROGRAM OF UNI-SELECT INC.**

---

**Boucherville, Québec – December 17, 2009.** Uni-Sélect Inc. announces today that the Toronto Stock Exchange (the “TSX”) has accepted its notice of intention to make a normal course issuer bid (the “Notice”) to repurchase some of its outstanding common shares through the facilities of the TSX for a period of twelve months ending December 20, 2010. Up to 200,000 common shares, representing approximately 1% of the 19,715,328 common shares of Uni-Sélect issued and outstanding on December 9, 2009, may be purchased under the normal course issuer bid. Daily repurchases will be limited to 3,640 common shares, other than block purchase exemptions. The common shares will be repurchased by Uni-Sélect for cancellation.

The number of common shares that Uni-Sélect intends to repurchase and the time of such repurchases will be determined by Uni-Sélect, at its discretion. The repurchase period will begin December 21, 2009 and will end on the earlier of December 20, 2010 or the date on which Uni-Sélect will have either acquired the maximum number of common shares pursuant to the Notice or otherwise decided not to make any further repurchases. All the common shares acquired under the bid will be repurchased at their market price at the time of acquisition.

The Board of Directors of Uni-Sélect has concluded that the repurchase of up to 200,000 common shares is a desirable use of funds for Uni-Sélect and, therefore, would be in the best interests of Uni-Sélect and its shareholders. During the last twelve months, Uni-Sélect has not repurchased any common shares under a normal course issuer bid which commenced on December 18, 2008 and will expire on December 17, 2009.

Unless otherwise indicated, all amounts specified in this release are in Canadian dollars.

Uni-Select is a Canadian leader in the distribution of automotive replacement parts, equipment, tools and accessories.
